

## INFORMATION FOR THE INFO DAYS FROM THE PUBLIC CALL 01/2012

The IPARD Managing Authority under the Ministry for Agriculture, Forestry and Water Supply in cooperation with the Agency for Financial Support of the Agriculture and Rural Development from 01-15 May, 2012 has undertaken IPARD info presentations for successful promotion of the IPARD Program and acquainting the wider audience with the opportunity and the availability of the IPARD funds.

The informational events included 10 municipalities: Kicevo, Demir Hisar, Demir Kapija, Kavadarci, Krushevo, Bitola, Sveti Nikole, Kocani, Valandovo and Strumica.

The informational campaign was implemented for the purpose of informing the farmers as potential beneficiaries and the wider audience with the objective and the benefits from the IPARD Program for the Republic of Macedonia, as well as with the conditions and the criteria for approval of projects and the allocation of funds from the IPARD Program.

The implementation of the IPARD info days contributes to successful promotion of the IPARD Program and informing on the opportunities and the methods of using the funds from the IPARD Program 2007-2013, as well as informing the representatives from the IPARD Operative structure regarding the problems the potential beneficiaries confront during the application for allocation of funds.
